

## Reading in KS2

Once children are fluent readers, they move from our Little Wandle decodable books to their class reading scheme. This is displayed in each classroom in the class library. This scheme is made up of a diverse range of highly recommended titles, appropriate to each age group, which has been chosen by the class teacher. These are updated based on pupil feedback and the needs and interests of each class. Pupils can read the books in any order. Once they have read one of the titles, they complete a book review and choose a new title. While we expect pupils to work through the titles in the reading scheme over the course of the year, we also encourage children to choose books which follow their own interests too. They may also choose books from the school library or titles from home. Across school, we expect pupils to keep a copy of their reading book close to hand at all times so they can dip into it easily if the opportunity arises!

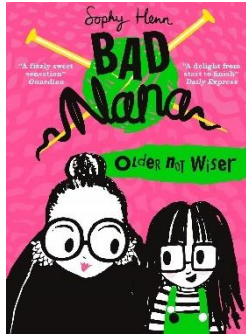

# Year 2 – 20 Fantastic Books to Read!
