Our school vision, values and EYFS aims	<p>Inquisitive We want our children to arrive at school each day with a big smile on their faces! Therefore we will spend this half term creating bonds and helping them to adapt to and enjoy school life through a phased timetable.</p> <p>Formal learning in FS will begin from Week 2 when we begin phonics and Maths inputs.</p> <p>We will discover the beauty of the English language by taking part in National Poetry Week and learning the story and poem for our Harvest Festival.</p> <p>Kind By learning about our similarities and differences we will learn how to respect</p>	<p>Inquisitive We will be learning about different religious festivals, this knowledge will help us to better understand and respect the beliefs of different faiths.</p> <p>Learning about festivals and other cultures will introduce us to some interesting new vocabulary such as 'diya lamp' and 'dreidel'.</p> <p>Kind On 11/11 we will commemorate Armistice Day to respect the sacrifices the armed forces make for us.</p> <p>In Jigsaw learnin we will learn about people's similarities and differences and how to be kind to others.</p>	<p>Inquisitive Having already learned about our village, county and country – now is the time to explore toys and games around the world.</p> <p>We will be connecting our thinking by comparing and contrasting different parts of the world and the toys and games that different people play there.</p> <p>We will learn about Chineses New Year and send cards to our frineds in China.</p> <p>Kind As part of random act of kindness day we will think about ways we can</p>	<p>Inquisitive In FS, we love to read! We will be engaging in lots of book related activities as part of our World Book Day celebrations.</p> <p>We will be forming lots of questions and predictions as part of our Science Week activiites</p> <p>Kind By learning about famous Scientists, we will have more respect for their achievements and inventions which have made our lives safer and easier. As part of Fairtrade Fortnight, we will learn to respect our food and the people that grow it.</p> <p>Resilient</p>	<p>Inquisitive We will learn about plants and different holiday destinations.</p> <p>Our Holidays theme will inspire lots of imaginative storytelling and role play opportunities.</p> <p>We will learn about the king and what a coronation is.</p> <p>Kind Earth Day celebrations will give us an opportunity to consider how we can respect, care for and be kind to our planet.</p> <p>Resilient Mrs Lerigo will help us to understand how we can explore the</p>	<p>Inquisitive As we prepare the children for the next step in their school lives, our learning will become more formal to reflect the expectations of Year 1.</p> <p>We will set up simple investigations about plants and ask questions.</p> <p>Kind We will will learn about Refugees as part of Refugee day and learn about respecting all people from different backgrounds.</p> <p>Resilient By learning about Child Safety week we will learn how to keep ourselves safe. There's no doubt that healthiness and happiness are interlinked. We will explore how we can care for our bodies and minds</p>

EYFS at Pickhill CofE Primary School

	<p>ourselves and each other. Also, to respect our new classroom and keep it tidy!</p> <p>Children will learn what behaviours are expected of them to keep them safe in their new school environment.</p> <p>Resilient</p> <p>We will have our first trip and learn how to keep safe away from our classroom environment.</p> <p>We will complete our first full days in the classroom, we understand it can be tiring and will learn strategies to help us when we miss our parents.</p>	<p>Resilient</p> <p>During Road Safety week we will learn how to keep ourselves safe when crossing the road. We will have a visit from the fire service to talk to us about fire safety and keeping safe on Bonfire night.</p> <p>We will develop the skill of resilience through our hard work on our Nativity performance.</p>	<p>be kind to our friends in lots of different ways.</p> <p>Resilient</p> <p>As part of national Storytelling week we will learn a range of stories and think of our own stories to perform to others.</p>	<p>When we feel safe, we are more likely to challenge ourselves and ask questions which we will demonstrate when conducting Science investigations.</p>	<p>great outdoors safely during a Forest Schools day. We will learn how to be resilient in a setting out of our classroom environment.</p>	<p>through exercise, healthy eating and breathwork.</p> <p>We will work hard on our whole school summer play.</p>
<p>Our EYFS Curriculum</p>	<p>All About Me</p> <p>This half term our focus will be on getting to know each and exploring what makes each of us special and unique. We will learn how to keep healthy and about basic hygiene.</p> <p>Our School</p> <p>As well as becoming valued members of our class, we will be welcomed into our school community. We will be introduced to staff who work across the school and take part in whole school collective worships.</p> <p>Our Community</p> <p>We will learn about our local castles and our local area. We will learn about Harvest and prepare something to share as part of our Harvest Festival. We will visit our church to take part in our school harvest festival.</p> <p>Our World</p> <p>We will learn about kings and Queens who have influenced our world. We will begin to celebrate Black History month and learn about remarkable people who have changed our world such as Katherine Johnson and Mae Jemison.</p> <p>Our Planet</p> <p>During our Forest school sessions we will observe seasonal changes and signs of Autumn. We will have an Autumn Day thinking about autumn and gathering the signs.</p>	<p>All About Me</p> <p>To strengthen our friendships in our class we will learn some new sharing and turn taking games.</p> <p>Our School</p> <p>We will learn our parts and perform in the school Nativity.</p> <p>Our Community</p> <p>By singing carols and visiting the church, FS will spread Christmas cheer in our village community.</p> <p>Our World</p> <p>We will learn about our country and the parts of our world. We will 'travel' the world and celebrate different religious festivals such as Diwali (Hinduism) and Hannukah (Judaism). We will also explore how Christmas is celebrated around the world and make comparisons with how we celebrate it in the UK.</p> <p>Our Planet</p> <p>An FS Christmas will aim to be a sustainable Christmas. We will create our own decorations from natural or recycled materials.</p>	<p>All About Me</p> <p>We will celebrate small acts of kindness by introducing the children to our 'kindness tree'.</p> <p>Our School</p> <p>We will think about how we can improve our school grounds and design some new games to play with our friends.</p> <p>Our Community</p> <p>How have toys and games changed over the years? By inviting members of the community to talk to us we will find out!</p> <p>Our World</p> <p>Our world is full of incredible people! We will learn about toys and games around the world.</p> <p>Our Planet</p> <p>Through taking part in the 'Big Garden Bird Watch', we will learn about the challenges our wildlife face in Winter and how we can help them. We will also learn about toys and games can be recycled and reused across the world. We will make our own toys and games using recycled or natural materials.</p>	<p>All About Me</p> <p>This half term we will learn about good oral hygiene/being healthy from a nurses visit.</p> <p>Our School</p> <p>We will invite KS2 children to work with us in their roles as Reading Ambassadors to inspire a love of reading.</p> <p>Our Community</p> <p>At All Saint's Church we will celebrate Easter with Rev James and we will invite our family and friends to our school Easter Eggstravagansa.</p> <p>Our World</p> <p>We will learn about weather around the UK and the world. We will investigate hot and cold places and the animals that live there.</p> <p>Our Planet</p> <p>Spring will arrive this half term! We will observe the changes this season brings and mark the Japanese festival of 'hanami'.</p>	<p>All About Me</p> <p>We will learn about our holidays and favourite places to visit.</p> <p>Our School</p> <p>We will work alongside the older children to tidy up our grounds ahead of our outdoor Coronation party.</p> <p>Our Community</p> <p>Members of our school and village community will be invited to a Coronation Party to celebrate the Kings Coronation.</p> <p>Our World</p> <p>Where in the world is Eid celebrated? We will find out and ask members of our local Muslim community to share how they celebrate the end of Ramadan. We will think about the places we can go on holiday and how we would travel there.</p> <p>Our Planet</p> <p>We will learn to grow plants and vegetables in our outdoor area. We will learn about why hot places are popular for holidays.</p>	<p>All About Me</p> <p>We will make our last half term in FS truly special by working through our '16 things to do before you are 6' list of experiences.</p> <p>Our School</p> <p>We will work alongside the rest of the school to produce our school summer performance. We will work with the other members of our bee point team to participate in our sports day.</p> <p>Our Community</p> <p>We will perform our summer performance to our school and village community.</p> <p>Our World</p> <p>We will visit the seaside as part of our holidays theme. We will learn about popular holiday destinations and where in the world they are.</p> <p>Our Planet</p> <p>Summer is the time to enjoy the fruits of our labour and eat some of our home grown produce. We will think about the sea and how we can look after our sea and environment.</p>
